About

Enthusiastic mobile app developer with solid experience in React Native and a good grasp of Git. I enjoy building apps for mobile, and I'm always eager to learn and take on new challenges. I'm a team player and I have a knack for solving problems and making tech work for people. Check out my GitHub to see some of my projects and what I'm working on.

SKILLS

- **Mobile App Development**
- **MernStack (React/React Native, Express, MongoDB)**
- **JavaScript, C++, Java**
- **Git**
